

# CHAMPIONS OF VERTICAL AVIATION

  
**2016**  
**HAI HELI-EXPO**  
BY HELICOPTER ASSOCIATION INTERNATIONAL

[heliexpo.rotor.org](http://heliexpo.rotor.org)

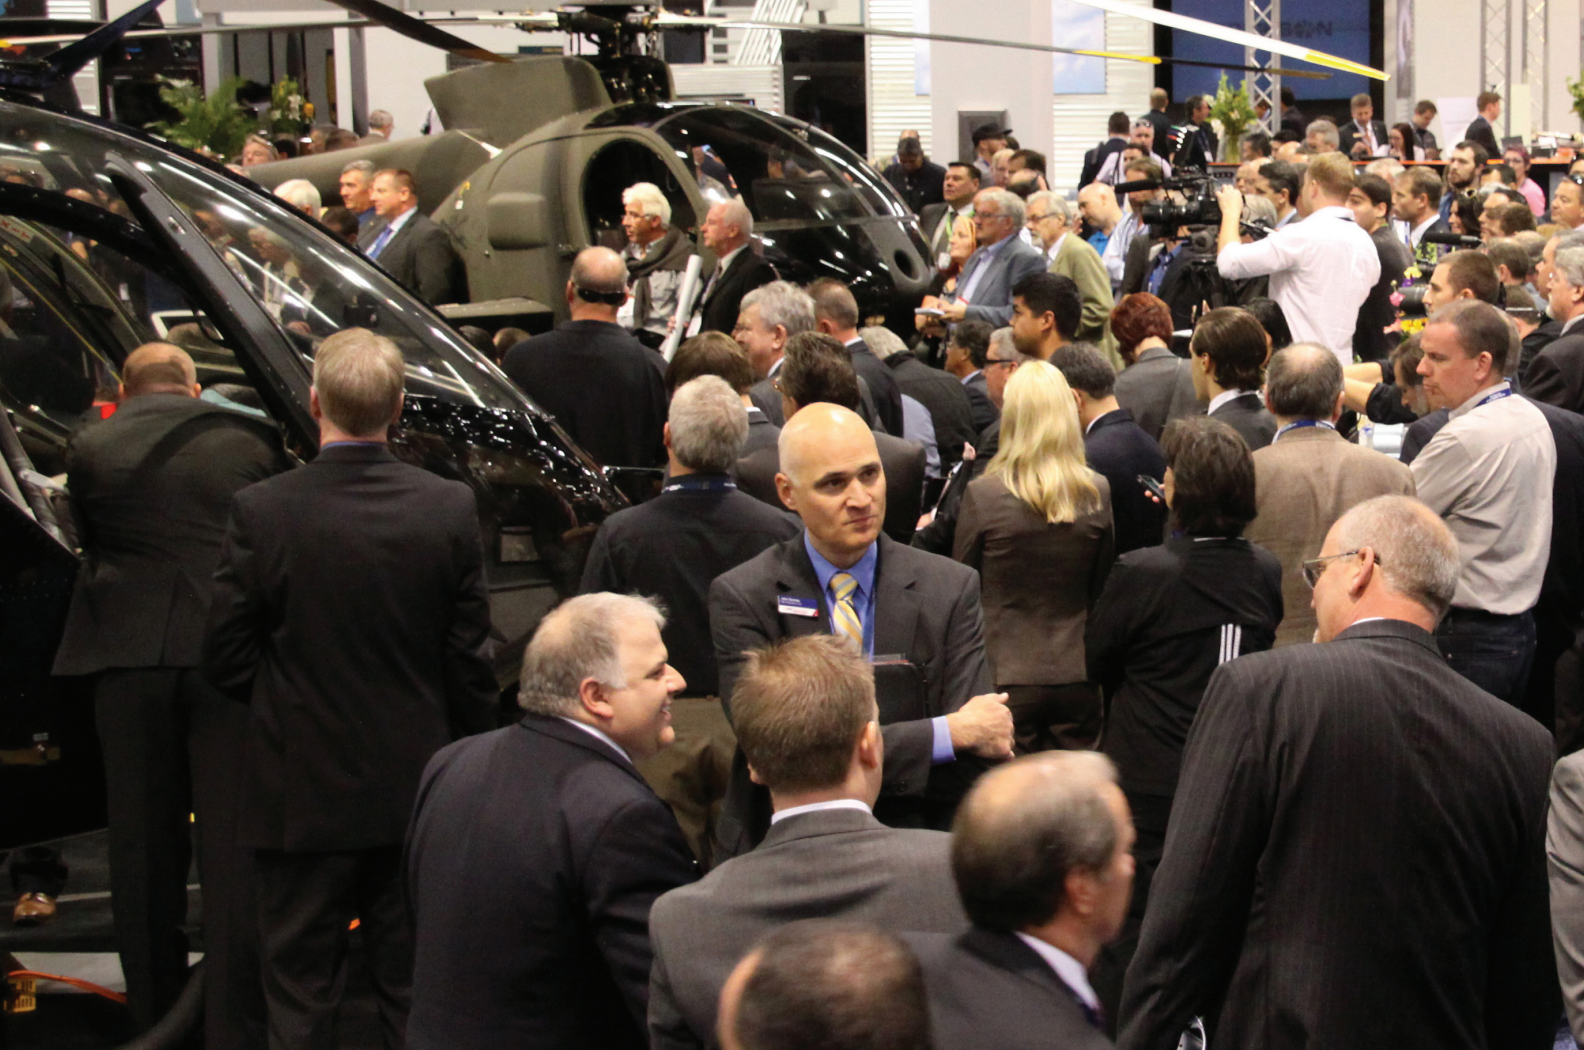

**Explore. Commit. Unite.**

**Feb. 29–Mar. 3 ■ Kentucky Exposition Center**  
**Exhibits Open Mar. 1–3 ■ Louisville, KY**

*The City That Celebrates Champions*

## Connect with the Champions of Vertical Aviation at HAI HELI-EXPO

HAI HELI-EXPO® is the world's largest trade show dedicated to the international helicopter community. Whether you are new to the industry or an established part of the community, HAI HELI-EXPO is the must-attend event to —

- **STAND OUT** from your competition
- **ATTRACT QUALIFIED BUYERS** from an international audience
- **CLOSE SALES** at the lowest costs of the year
- **BOLSTER RELATIONSHIPS** with existing customers through face-to-face interactions
- **FOSTER STRATEGIC PARTNERSHIPS** with industry professionals
- **DELIVER HANDS-ON DEMONSTRATIONS** of new product offerings
- **EXTEND BRAND AWARENESS** in the international helicopter and aviation community
- **GAIN POWERFUL RESULTS** from exposure in the aviation industry before, during, and after the show.

### Who should exhibit?

- Helicopter manufacturers
- Helicopter owners and operators
- Distributors of products and services for the helicopter industry
- Training schools and educational institutions
- Regulatory and government agencies
- Companies who offer related products or services
- **YOU** (your competitors will be there!)

HAI HELI-EXPO®, ROTOR® Magazine, and RotorNews® are registered trademarks of Helicopter Association International. Except as noted, all photos are by Lagniappe Studio/HAI.

## Exhibit Hall Location and Hours

**Kentucky Exposition Center**  
937 Phillips Lane  
Louisville, KY 40209

**Tuesday, March 1**  
10:30 AM — 5:00 PM

**Wednesday, March 2**  
10:00 AM — 5:00 PM

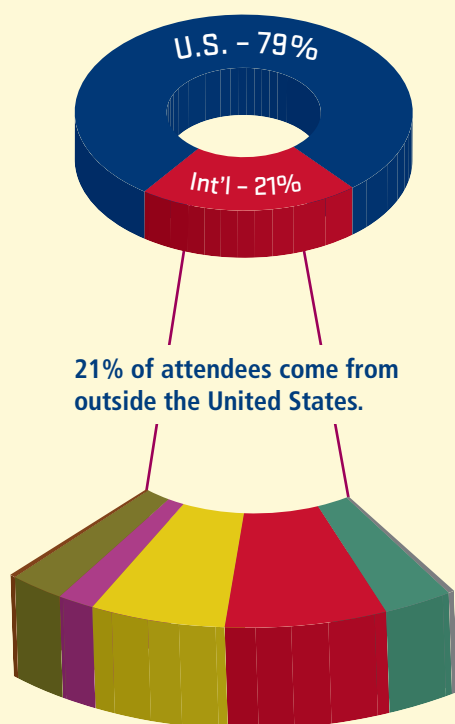

**Thursday, March 3**  
10:00 AM — 4:00 PM

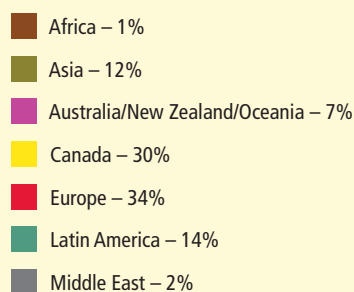

## HAI HELI-EXPO Fact Sheet

- 1 million sq. ft. of meeting and exhibit space
- International press exposure
- Numerous sponsorship opportunities
- 20,000 potential buyers
- 700+ competitive exhibitors
- 60+ helicopters on display
- 100+ education opportunities including education courses, safety sessions, workshops, and forums
- HAI committee meetings
- HAI Helicopter Industry Career Fair

## HAI HELI-EXPO draws a global audience.

### INTERNATIONAL DISTRIBUTION

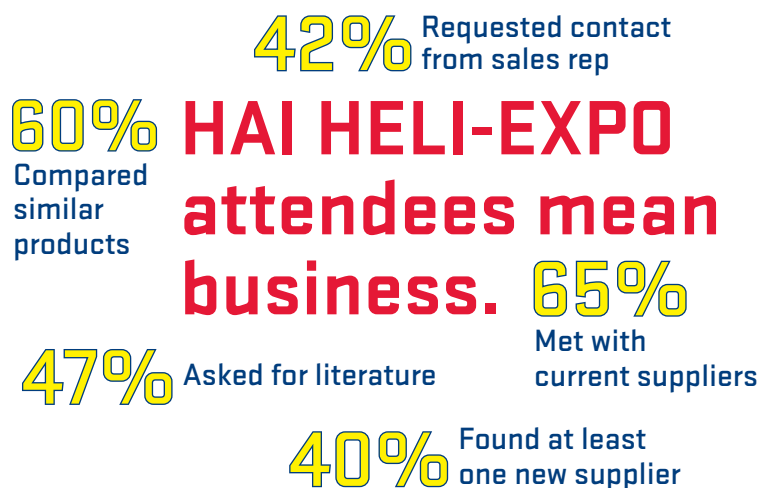

# HAI HELI-EXPO: The Global Marketplace for the International Helicopter Community

Key decision makers worldwide come to —

- **NETWORK** with industry professionals at HAI HELI-EXPO events
- **DISCOVER** product innovations that meet the needs of their companies
- **IMPROVE** their bottom lines
- **CONNECT** with new vendors offering solutions to their challenges
- **EXPAND** relationships with existing vendors on the extensive show floor
- **STAY CURRENT** with industry developments at meetings and forums
- **FURTHER** their careers through professional education courses.

"If you are selling to the helicopter industry, you have to attend HAI HELI-EXPO!"

— JF ROBITAILLE, MANAGER  
BARRY CORDAGE LTD.

# Maximize Return on Investment

## Sponsorships

Increase your company's visibility and attract new customers beyond the show floor:

- **Show materials:** tote bags, lanyards, hotel key cards, hotel room drops
- **Show events:** HAI HELI-EXPO Welcome Reception, Salute to Excellence Awards dinner, HFI Scholarship Golf Tournament, HAI Professional Education courses
- **Show hotspots:** HAI HELI-EXPO Charging Stations, HAI HELI-EXPO Newsroom, HFI Heritage of Helicopters display, shuttlebuses
- **Show mobile app**
- **Show signage,** including columns wraps, and banners
- **And more!**

In addition to the exposure offered by your sponsorship, you will be —

- Recognized in the HAI HELI-EXPO 2016 *Program & Exhibit Guide*, distributed to every show attendee
- Acclaimed in HAI's online media, rotor.org, and *RotorNews*®
- Acknowledged on prominent signage and at various functions throughout the show
- Acknowledged in the Spring issue of ROTOR® magazine, which recaps the show and is mailed to all show attendees, HAI members, and additional industry professionals.

## Advertising

Get your message out to HAI HELI-EXPO attendees by advertising in the following publications:

- **The HAI HELI-EXPO 2016 *Program & Exhibit Guide*:** This comprehensive show schedule and exhibitor listing is distributed to and referenced repeatedly by HAI HELI-EXPO attendees
- **ROTOR Magazine:** By advertising in HAI's signature publication, your message will reach more than 30,000 HAI HELI-EXPO attendees, HAI members, and industry professionals worldwide
- **RotorNews:** HAI's daily electronic newsletter, sent to more than 25,000 subscribers, produces special show issues
- **HAI Mobile App:** HAI's app for smartphones and tablets puts aviation resources — and your message — in front of the international helicopter community.

For more information on sponsorship and advertising opportunities, contact:

**HAI Sales: T 703-683-4646 | F 703-683-0341 | [sales@rotor.org](mailto:sales@rotor.org)**

### Learn More

**T 703-683-4646**

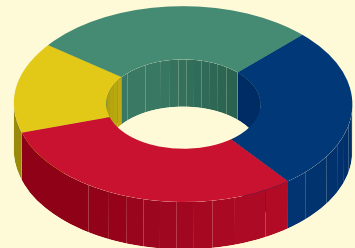

**F 703-683-0341**

**HAI HELI-EXPO attendees are purchasing decision makers.**

**JOB CLASSIFICATIONS OF ATTENDEES**

- C-Level Management – 22%
- Sales/Marketing/Consultant – 41%
- Operations/Maintenance/Administration – 36%

**RESPONSIBILITIES OF ATTENDEES**

- Authorize purchase / give final approval – 27%
- Make recommendations – 31%
- Identify need and evaluate alternatives – 15%
- Explore and familiarize – 27%

**73% of HAI HELI-EXPO attendees are directly involved in purchasing decisions.**

## News Conferences and Special Announcements

Each year, HAI invites members of the aviation trade and local news media to HAI HELI-EXPO and provides you the opportunity to speak directly to them in a news conference setting. Exhibitors are also encouraged to display literature in the news room throughout the convention.

In addition, HAI's Communications Department will help coordinate special announcements on the exhibit hall floor in order to minimize conflicts with other events and announcements.

You may request a news conference beginning July 1, 2015. Requests *must* be made using the online form at [www.rotor.org/newsconference](http://www.rotor.org/newsconference).

Please note: You are welcome to request a specific time slot; however, a request does not guarantee that slot. Specific slots will be confirmed approximately 45 days prior to HAI HELI-EXPO.

If you have questions or need additional information, contact:

### Chris Dancy

Director of Communications and Public Relations  
[chris.dancy@rotor.org](mailto:chris.dancy@rotor.org) | T 703-302-8477

**"HAI HELI-EXPO not only helped us promote our products but also helped us to identify potential suppliers."**

— CHAD VANATTA, STRATEGIC BUYER, BAE SYSTEMS

## Promotional Benefits of Exhibiting

HAI promotes HAI HELI-EXPO to members, prior attendees, the international helicopter community, and government agencies ... worldwide, throughout the year:

- Thousands of ad impressions via dedicated aviation publications, both domestic and international
- HAI exhibit presence at more than 30 helicopter and aviation air shows, trade shows, forums, and events
- Social media, web, print, direct mail, and email messaging to current and prospective markets.

## Louisville, Kentucky: The City that Celebrates Champions

HAI is thrilled to bring HAI HELI-EXPO 2016 to Louisville, Kentucky, where champions cross the Kentucky Derby finish line, where bats are created for World Championship play, and where Muhammad Ali became a champion in and out of a boxing ring. Each year, millions visit Louisville for its history, hospitality, and charm.

**Location.** Connecting with three major interstates (I-64, I-71, and I-65), many U.S. attendees will find Louisville to be an easy one-day drive. The Louisville International Airport (SDF) is served by almost every major airline, with more than 100 flights per day.

**Transportation.** In addition to shuttle service between downtown, area hotels, and the Kentucky Exposition Center during the show, Hertz will provide additional discounts on car rentals especially for HAI HELI-EXPO. Louisville taxis are plentiful and fairly priced, with flat rates between downtown and the Kentucky Exposition Center as well as the airport.

Kentucky Exposition Center

## Some Louisville Attractions

- **Louisville's Culinary Scene** is rich in flavors for every palate: Lonely Planet named Louisville the top U.S. travel destination for 2015 largely based on its vibrant dining scene.
- **The Kentucky Derby Museum**, located next to the legendary Churchill Downs, gives an exciting look at "the most exciting two minutes in sport."
- **Museum Row on Main** hosts 10 attractions in four walkable blocks, including the Louisville Slugger Museum and Factory and the Muhammad Ali Center.

■ **Whiskey Row/ Bourbon County** offers visitors a taste of "America's native spirit." Downtown Louisville features both historic Whiskey Row and the 34-stop Urban Bourbon Trail. And the famous Kentucky Bourbon Trail begins within 30 minutes of downtown Louisville.

■ **Fourth Street Live!** is Louisville's premier dining, entertainment, and retail destination, located a short walk from downtown hotels and attractions.

■ **The Big Four Pedestrian and Bicycle Bridge** opened in 2014 as the crown jewel of Louisville's award-winning Waterfront Park.

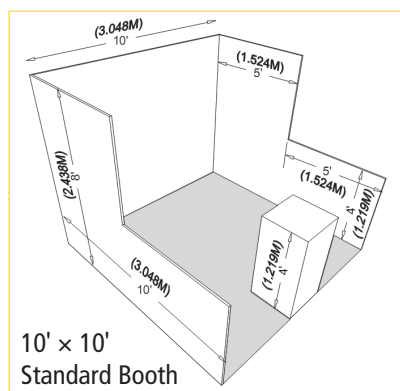

Louisville Slugger Museum

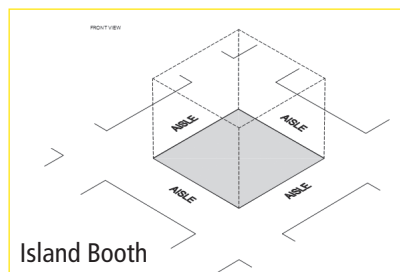

## Booth Types and Guidelines

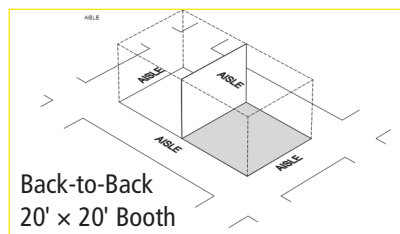

**Standard Booths.** Size is 10' × 10' (approximately 3.05m × 3.05m) or multiples thereof, unless otherwise indicated. Standard booths include standard framing materials; fabric backdrop, 8' in height; draped divider rails, 3' in height; and a standard booth identification sign bearing the exhibitor's name. Carpet will be set on all main (numbered) aisles. The diagram at right shows the height restrictions for standard booths.

**Island Booths.** Size is 20' × 20' or larger. Island booths are open on all four sides. The height restriction for island booths is 20'. Booth designs can use the entire cubic space up to the 20' height restriction.

**Back-to-Back 20' × 20' Booths.** Some exhibitors need more depth than 10', but their displays (pop-up booths and other configurations) do not work within the regulations of an island display. To help these exhibitors and the overall look of the show, we have created back-to-back 20' × 20' exhibit spaces. These spaces better allow for a back wall design, which will extend the full 20' width, but are restricted to 16' in height without prior written approval from HAI show management.

**Double Deck and Covered Booths.** Please contact HAI show management for special regulations pertaining to these exhibits and suitable locations.

**Peninsula Booths.** Also known as end-cap configurations, peninsula booths, which are contiguous with 10' × 10' in-line displays but span the end of an aisle, are not available unless a space suited only to that configuration becomes available.

**Static Booths.** Static displays will be located inside the convention center. Assignments are subject to space availability. Static area is for the display of aircraft or the display or demonstration of other products. Examples include water buckets, tug/tow equipment, vehicles, and flight simulators.

Three-foot (3') draped divider rails will be provided for static display booths. Tables are allowed for the display of promotional materials only and may not exceed 3' in height within 5' of an aisle. Standard chairs are allowed. Absolutely no other furniture, office units, back or sidewalls, popup exhibits, or audiovisual will be allowed. **Carpet, floor covering, overhead/hanging signage, and specialty lighting will not be permitted in static booths. There will be no exceptions.**

The above guidelines will be strictly enforced. Show management has the right to request that any nonstandard or excessive display items be removed immediately. Noncompliance by an exhibitor will result in complete removal of the exhibit or an increase in booth cost to standard booth pricing.

## Pavilions

HAI HELI-EXPO 2016 will have pavilions on the show floor dedicated to geographic regions or product/service categories. These areas will be marked with an overhead banner and matching aisle carpet to distinguish them from the rest of the floor so attendees can more easily find particular countries or products and services they are interested in.

### **First-Time HAI HELI-EXPO Exhibitor Pavilion.**

New to HAI HELI-EXPO? We will have a pavilion area designated for first-time exhibitors. Show management will provide standard carpet in a predetermined color for this area.

**International Pavilions.** These areas are for companies interested in forming a pavilion of exhibitors from a particular region.

**Product/Services Pavilions.** These pavilions are for companies with similar products/services that would like to be located in a specific area on the show floor.

If you are interested in being a part of any of these pavilions, email [heliexpo@rotor.org](mailto:heliexpo@rotor.org) with the subject line: HAI HELI-EXPO 2016 Pavilions.

**"We have invested in attending HAI HELI-EXPO for 15 consecutive years and feel it contributes significantly to our success in the world helicopter market."**

— RICH WELSCH, SALES AND APPLICATION MANAGER  
DYNAMIC SOLUTIONS SYSTEMS, INC

## Assignment of Space

An exhibit hall must be laid out so as to facilitate the flow of traffic of attendees and to provide an overall balance to the hall, while addressing the locations of utility ports, columns, fire marshal regulations, facility move-in/out door sizes and locations, and other restrictions. HAI reserves the right to assign space subject to these parameters and to relocate a booth, should unforeseen circumstances arise.

HAI has identified four HAI HELI-EXPO anchor exhibitors: Airbus Helicopters, Bell Helicopter, Finmeccanica – AgustaWestland, and Sikorsky. Each of these companies' exhibits has continuously exceeded 10,000 sq. ft. on an annual basis for many years. Therefore, these four companies will be placed first within the exhibit hall assignments, on a yearly rotation schedule. To qualify for future anchor designation, a company's exhibit space must exceed 10,000 sq. ft. for a minimum of two consecutive years.

The remainder of HAI HELI-EXPO booth assignments are determined by two separate lotteries: Lottery 1 and Lottery 2. HAI uses these lotteries to ensure that booths are equitably assigned among exhibitors. Outside of the lottery guidelines stated below, the date on which your application is received by HAI holds no bearing on your booth placement. Once you are ranked by the lottery, your booth preference requests and other details of location preference are given full consideration, subject to your position in the lottery.

**Along with your application for space, HAI must receive your payment for you to be eligible to participate in either lottery, as well as in the after-lottery assignments.**

Confirmation of space assignments for Lottery 1 will be sent to the exhibitor contact by **August 14, 2015**. Confirmation of space assignments for Lottery 2 will be sent to the exhibitor contact by **October 16, 2015**. All other confirmations will be forwarded as quickly as possible following booth assignment.

### Lottery 1

Lottery 1 consists of four stages and is open only to HAI HELI-EXPO 2015 exhibitors.

To be considered for Lottery 1, applications **with payment** must be submitted by **June 26, 2015**.

In all stages, exhibiting companies are treated equally, and the placement sequence is determined randomly:

- **Stage 1** is for exhibits with a minimum of 2,500 sq. ft. and/or companies who have secured a minimum of \$40,000 in sponsorships and/or advertising (electronic or printed) from July 1, 2014, to June 26, 2015
- **Stage 2** is for exhibits with a minimum of 1,200 sq. ft. and/or companies who have secured a minimum of \$10,000 in sponsorships and/or advertising (electronic or printed) from July 1, 2014, to June 26, 2015
- **Stage 3** places exhibits smaller than 1,200 sq. ft.
- **Stage 4** is for static displays only.

### Lottery 2

Lottery 2 is open to any exhibiting company (including those that have not previously exhibited) that returns the application with payment by **August 28, 2015**. This lottery consists of three stages:

- **Stage 1** places exhibits larger than 1,200 sq. ft.
- **Stage 2** places exhibits smaller than 1,200 sq. ft.
- **Stage 3** is for static displays only.

All drawings are completely random, with no exhibitor given priority for any reason.

### After-Lottery

Applications for space received after **August 28, 2015**, will be considered for placement on the floor after all Lottery 2 exhibitors have been placed. Such applications will be assigned space in the order they are received. Applications for space must be received by **December 23, 2015**, for companies to be included in the *Program & Exhibit Guide*.

## Apply at [rotor.org/exhibit](http://rotor.org/exhibit)

Exhibit Fees: Member Rates	
Standard Display	\$2,550 for each 10' × 10' unit
Static Display	\$3,150 for each 20' × 40' unit \$2,150 if standard display is also reserved
Exhibit Fees: Nonmember Rates	
Standard Display	\$3,750 for each 10' × 10' unit
Standard Display	\$4,350 for each 20' × 40' unit

To exhibit at the member rate, your membership dues for HAI fiscal year 2015–16, equal to the annual dues level appropriate for your organization, must be received before or at the time space applications are confirmed.

To become a member of HAI, visit [rotor.org/join](http://rotor.org/join) for an online application form. Please contact the Membership Department at 703-683-4646 or [mbr@rotor.org](mailto:mbr@rotor.org) with any questions regarding HAI membership.

The deadline to cancel or reduce space and receive a partial refund is **December 4, 2015**. For details, see the “Important Dates” section at the end of this prospectus or the Rules and Regulations, which can be found at [heliexpo.rotor.org](http://heliexpo.rotor.org). Cancellations or reductions of space may result in booth relocations.

**Secure your space today: complete your online application for space at [rotor.org/exhibit](http://rotor.org/exhibit)!**

### [Heliexpo.rotor.org](http://Heliexpo.rotor.org)

The HAI HELI-EXPO website at [heliexpo.rotor.org](http://heliexpo.rotor.org) contains important information for exhibitors:

- Application for space
- Rules and regulations
- Booth guidelines
- Deadlines
- Virtual trade show: the most current floor plan
- Exhibitor portal: register for badges, download complimentary guest passes, and more
- Exhibitor services kit
- Exhibitor news
- And much more ...

**“More can be done in a few days at HAI HELI-EXPO than in a month of travel. It showcases our products and allows us to meet with many suppliers and customers together.”**

— MARTIN CAMERON, CHIEF OF ENGINEERING  
AGUSTAWESTLAND

### Join HAI and Save

9 out of 10 HAI HELI-EXPO exhibitors receive the HAI member discount on their booth space. Are you paying more? Visit [rotor.org/join](http://rotor.org/join).

## Enjoy Lower Prices, Improved Lottery Standing

Here’s how some exhibitors are leveraging their relationship with HAI to get more out of their HAI HELI-EXPO investment.

### Secure Your Choice of Booth Location

Leveraging your advertising and sponsorship dollars to obtain a better booth location works! **91% of 2014 exhibitors** who used their advertising and sponsorship buys to qualify for Lottery 1, Stage 2, **received their first or second choice\*** of exhibit booth space for HAI HELI-EXPO 2015.

*(\*placement cannot be guaranteed)*

### Don’t Be Limited By Booth Size

Qualifying HAI media buyers or sponsors will be upgraded to Lottery 1, even if their booths do not meet the minimum square footage:

- Stage 1: Secure at least \$40,000\* in sponsorships and print/electronic advertising in HAI media
- Stage 2: Secure at least \$10,000\* in sponsorships and print/electronic advertising in HAI media

*(\*between 7/1/14 and 6/26/15)*

**See page 5 to learn more about HAI and HAI HELI-EXPO sponsorships and advertising.**
